Sir:

In response to the Examiner's Statement of Reasons for Allowance contained in the Notice of Allowance dated April 11, 2006, Applicants provide the following comments.

37 CFR 1.8
CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Mail Stop Issue Fee, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on July 11, 2006.

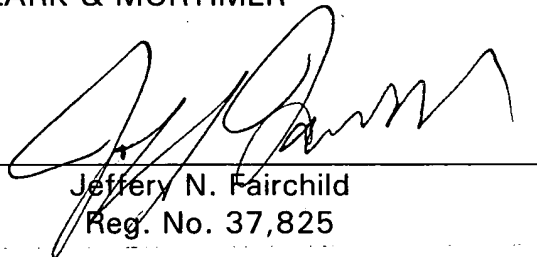

Signature: Karen A. Sanderson
Name: Karen A. Sanderson

The Examiner's Statement of Reasons for Allowance appears to be a paraphrasing of a compilation of the recitations in the claims. It is Applicants' understanding that the claims were allowed based on the specific language contained in each claim, not on any paraphrasing by the Examiner in the Examiner's Statement of Reasons for Allowance. Accordingly, the issue fee is paid herewith on the understanding that the claims are being allowed for the express language in the claims, and that nothing in the Examiner's Statement of Reasons for Allowance should allow limitations to be read into any of the claims. Should the U.S. PTO disagree with any of the foregoing, Applicants respectfully request early notification of the same before issuance of the patent.

Respectfully submitted,

WOOD, PHILLIPS, KATZ,
CLARK & MORTIMER
